

PROJECT CLIMATLANTIC

TERRITORIAL PLANNING AND CLIMATE SEMINAR

(Ourense, March 27th, 2014)

CLIMATLANTIC project (financed by INTERREG IVB- ATLANTIC AREA) foresees several forums related to the Climatatlantic Strategy, organized by project partners: École D'Ingénieurs La Rochelle (France), South-East Regional Authority (Ireland), Eixo Atlántico (Galicia – North Portugal) and Ourense County Council (Spain).

The Forum organized by Ourense County Council, Forum “Territorial Planning and Climate”, will be next 27th March 2014 at the Cultural Centre “Marcos Valcárcel”.

Objective:

Communicate about good practices identified at regional and local level for carbon footprint reduction, as well as to present the local plan “Particip@ na Rede”, implemented within **Climatlantic** project by the Ourense County Council.

Registration (online):
